

Volunteers to Aid Recreation Program in Park

Volunteers are to help with the handicraft, nature, photography and other classes to be conducted at Mokena Community park as part of the summer's recreation program. It was announced at the regular meeting of the park board last week.

J. H. Wrath, head of physical education in the Mokena school, was hired to supervise the recreation program at the park.

The board also purchased some equipment, including badminton, croquet and horseshoe sets.

Baseball is going strong at the park. The farm team had 90 out for practice a few nights ago. A scoreboard has been donated by the New Lenox Lumber and Hardware Co. and a bulletin board has been erected at the entrance to the picnic area. Warren Manker is head of a committee whose job is to paint the bleachers.

A new series of golf lessons—by Tom Geary, a golf pro turned banker—is to begin after July 15. Persons interested must sign up for the course and a minimum of 15 is necessary, it was said.

Anyone may sign up for the course, whether they have never had a golf club in their hands or are pretty good but want to improve their game. Geary also plans a course of instruction in golf for children. This will be held on Saturday mornings, the time to be announced later.

Charles Burkhardt, Jr., announced that three picnic stoves have been installed. Many family groups are using the newly cleared area and it is the hope of the park board that the facilities will be in constant use.

Mrs. John Marti made and donated bean bags for use in the recreation program for moppets. Persons with any equipment that would serve the park's recreation program are asked to contact Mr. Wrath or one of the board members.

Board members who attended last week's meeting were Ray Hoolahan, Charles Swanberg, Mrs. Hugo Niehammer, Mrs. George H. Bills, Mr. Manker and Mr. Burkhardt.

Brothers Share \$57,000 Estate

Edward W. McLaughlin, New Lenox, and his brother, Eugene L. of Jacksonville, Fla., will share equally in the \$57,000 estate left by their father, Edward J. McLaughlin, who died May 3 without leaving a will.

The son Edward has been named administrator of the estate by Probate Judge Stewart C. Hutchison.

According to the petition for letters of administration filed by W. Edwin Long, attorney for the estate, the estate is made up of \$17,000 in personal property and \$40,000 in realty.

The senior McLaughlin farmed in the New Lenox-Manhattan area for many years.

GOODWILL TRUCK

The Goodwill truck from Chicago will be in this area Thursday or Friday, July 5 or July 6. Anyone who would like to give articles to this cause should contact or call Mrs. Katharine Heisner, Frankfort 4902 or Mrs. Blanche Mitchell, Frankfort 3551. They will be glad to schedule donations and to have the truck call.

Blue Island Invites Area to Take Part In Celebrating 4th

Blue Island invites area residents to celebrate the Fourth of July there in a general invitation issued by Mayor John M. Hart.

"We are trying to provide clean, wholesome and exciting entertainment with plenty of fireworks for the enjoyment of the whole family," he said. "We are doing this with an emphasis on safety."

The Independence Day celebration in Blue Island on July 4 is for the 10th year under the sponsorship of the Blue Island Lions club. The community is raising \$5,500 for a free fete, which includes a Junior and a Senior parade, a Little League ball game and an evening program starting with drum and bugle corps drill competition and culminating with an hour's fireworks program.

Take Course to Correct Speech

Two 7 year old boys, of the Mokena area, joined a speech correction class that is being conducted at the Northern Illinois Teachers college at DeKalb.

The boys went to DeKalb last Saturday and will remain there eight weeks. They will be housed in a dormitory at the school.

The two youngsters from Mokena are Ralph Eggert, son of Mr. and Mrs. Arthur Eggert, U. S. Route 45, and Richard Stroh, son of Mr. and Mrs. Richard Stroh, Wolf rd. There are 33 other youngsters in the class.

Both boys have undergone surgery. Ralph seven times and Richard eight, for correction of cleft lip and palate, and will have further work done later, it was said.

A part of the correction includes a plastic covering for a small opening in the roof of the mouth. The speech correction course at DeKalb in time will enable the children to enunciate clearly.

The course has been successful in its aims although sometimes it is necessary for children to come back for further instruction.

Parents of the children will go to the college July 8 to join the members of the class in a picnic.

Advance Ticket Sale For Legion Show Reported Heavy

Advance ticket sale for the Fourth of July show in Soldier Field, sponsored by the Cook County Council of The American Legion, is running about 20 percent ahead of last year, it was announced this week by Russell W. Root, executive vice chairman of the 4th of July committee.

"All of the indications point to one of the finest crowds in recent years," Root said. "The committee has planned the most thrilling show ever staged with the emphasis on the fireworks."

In addition to more than two tons of fireworks, the show will include drills by two drum and bugle corps, the death-defying antics of the International Automobile Dare-devils, and a series of circus "high" acts.

Gates of Soldier Field will open at 5 p.m. and the show will start at 7:30 p.m.

Edward Heyer, Frankfort, Dies; Funeral Friday

Edward Heyer, of Frankfort, died in Silver Cross hospital, Joliet on Tuesday, June 26, after a short illness.

Mr. Heyer was born in Chicago November 4, 1878. He was a retired carpenter and mason. The deceased has been a resident of the Frankfort-Mokena area for the past 16 years.

His wife, Johanna died April 14 of this year. Mr. Heyer is survived by two sons, Alfred of Frankfort and Paul, of Chicago, and one granddaughter. Also his sister, Mrs. Martha Brueckman, of Chicago survives.

The body is resting at the Hirsch Funeral Home in Tinley Park where friends may call. Funeral services will be held Friday in the Good Shepherd Church in Frankfort at 1:30 p.m. with burial in Archer Wood cemetery, Chicago.

Krueger's Record as Insurance Salesman Wins Recognition

George R. Krueger of Mokena received an invitation to attend one of two meetings to be held by the State Farm Insurance Companies at the Statler hotel in New York the week of August 5.

This meeting is for the companies' career field representatives who have earned the right to attend as a result of their outstanding accomplishments during the past twelve months. The representatives who will attend are among the top 25 percent of State Farm's field sales organization which numbers more than 7,000 agents operating throughout the United States and Ontario, Canada.

The chief executives of the Companies will be present at these gatherings to discuss the progress and the plans of the organizations.

The State Farm Insurance Companies of Bloomington, Ill., are composed of the State Farm Mutual Automobile Insurance Co., the State Farm Life Insurance Co. and the State Farm Fire and Casualty Insurance Co. State Farm Mutual is the largest insurer of automobiles, insuring more than 4,000,000 cars. The life company has just under a billion of life insurance in force and the State Farm Fire company wrote in excess of \$16,000,000 of premiums in 1955.

Vote Saturday on Consolidation of 5 Homer Schools

Voters in five rural school districts in Homer township, including residents of the Marley community, will ballot Saturday, June 30, on the proposal to form a community consolidated district.

One polling place has been designated, the Homer town hall. It will open at 12 noon and close at 7 p.m. daylight saving time.

Four of the districts involved have one-room schools, Nos. 127, 130, 131 and 135. The other district, No. 128, has a two-room school.

If the consolidation plan is approved by the voters, County Supt. of Schools Verne Crackel will then set a day for the election of a seven man board.

SPEAKING OF 'BIG BUSINESS'—

L-W Board Hires 3 New Teachers

Three new teachers have been hired by the Lincoln-Way high school board for the coming year.

One of them is George R. Abraham, from Ladysmith, Wis., who will teach biology and general science. His starting salary will be \$3,900.

Mr. Abraham is a graduate of the Wisconsin State college at Supr. He also attended college at Etain, Fr., while stationed in that country for the past two years with the U. S. A. F. While in the service he was on the teaching staff of USAFI. He has just been discharge from the air force.

Previous to military service, Mr. Abraham taught for a year at Gresham (Wisconsin) high school. He was an instructor in biology and also coached basketball. He is married and has twin sons.

The other two teachers hired at the board meeting last week are Miss Margaret Gentry, of Macomb, and Miss Mary Shive, of Annawan, Ill.

Miss Gentry was employed to fill a vacancy in the business education department at a starting salary of \$3,500. She will teach several classes in typing as well as shorthand. She is now completing her work at Eastern Illinois State college and will be graduated this summer. In school Miss Gentry was active in many organizations, including the college newspaper, Business club, Lincoln Hall council, and was a member of Delta Sigma Epsilon, a social sorority, and the Panhellenic council.

Miss Shive, who recently was graduated from the University of Illinois will teach freshmen and sophomore English. Her starting salary is \$3,500.

While a student at the university, Miss Shive won several scholastic honors and participated in numerous activities. She also was in band and chorus work, and on the staff of the university newspaper and the yearbook. She was a member of the student council.

Her practice teaching was done this spring at Leyden Community high school. Her father is superintendent of schools at Annawan.

George Washington had a step-daughter named Nellie Custis.

Children's contests will be featured on each of the 10 days of the 1956 Illinois State Fair, August 10 through 19.

Death Claims Mrs. Etta Lyons of Lincoln Estates

Mrs. Etta Jane Lyons, 75, late of Lincoln Estates, died Monday in the Shady Oak Rest home, 620 Richard st., Joliet, after a lingering illness.

Born Feb. 15, 1881 in New Stanton, Pa., she and her husband Harry, came to Lincoln Estates in 1941 to make their home with their son John, Mr. Lyons died in 1942.

She is survived by two daughters, Mrs. Mary Abbott and Mrs. Faye Kebrans and son John or Lincoln Estates; and two other sons, Alex, Grandstone, Pa., 21 grandchildren and 29 great grandchildren; also her brother, Edward Frye, Hunkers, Pa.; and a sister, Mrs. Mae Griffith, Saltsburg, Pa. Her daughter Ella Mae Kelly of Lincoln Estates died in 1950.

Removal was to the Gerardi chapel in Chicago Heights where services were held Wednesday afternoon with the Rev. S. E. Waldemer, pastor of the Lincoln Estates Baptist church officiating. Burial was in Pleasant Hill cemetery, Frankfort.

Beecher Firemen to Have Picnic on 4th of July

A big day of fun and entertainment is in store for those who annually make Beecher their headquarters on the Fourth of July.

The colorful parade, starting at 11 a.m. will feature high school bands from Grant Park, Peotone, Crete and Beecher; the drum and bugle corps of Post 131, Chicago Heights; plus the usual complement of fire fighting equipment from neighboring towns. Advance notices promise many entries in the commercial, religious and comical floats that annually have made this colorful procession one of the best around. As added attractions Keeno the Clown and "Smoke" Williams Jackson, will make their appearance in the parade. Keeno will also pop up as "Thom as the Tramp" on the grounds.

The entertainment from the band shell, both afternoon and evening, will feature such entertainers as escape artist and fire eater, Duke Alphonse; Byron the Hypnotist; and many others.

The Chicago Heights Federation of Musicians Concert band, local 386, A.F. of M., will highlight the evening program with a concert from the band shell. Music for this occasion is contributed by the Recording Industries at the request of Local 386 A.F. of M.

Two ball games are planned as part of the afternoon and evening programs. In the afternoon, the Beecher Small Fry team will play Grant Park. In the evening, the Beecher girls team will play under the lights. The team the girls will meet has not yet been named.

Also, as part of the evenings festivities, is the dance in the Community Hall. Music will be furnished by Henri Buttell and his orchestra.

One of the biggest and most spectacular fireworks display ever staged by the local Fire Department will climax the day's events.

The Black Forest is a mountainous wooded region in Wurttemberg, Germany.

Lincoln-Way High School Board Sells \$159,000 of Working Cash Fund Bonds; Interest Rate Up

Mrs. C. F. Krog To Serve L-W As Treasurer

Mrs. G. F. Krog, an employee of the New Lenox State bank, was appointed school treasurer of the Lincoln-Way Community high school district for the next two years. She will also serve as school treasurer for the rural schools within the boundaries of the high school district. Mrs. Krog has had considerable experience in this type of work, having served in the same capacity for the New Lenox elementary school district.

The Lincoln-Way Board of Education has had a policy since the organization of the district of appointing a new treasurer every two year period and rotating the appointment among the three townships and the four communities.

Mr. Ralph Goodwin of Manhattan was the first treasurer, and Mr. Lawrence T. Woodman of Frankfort has just completed the second term.

Sales and Gas Taxes Run 1-2 in State Revenue Derby

The sales tax still retains its rank as the state's chief income producer, with the motor fuel tax in second position, according to the May collection report of Richard J. Lyons, director of the Department of Revenue.

The 2½ cents sales tax brought in \$22,021,349 during May, an increase of \$3,865,568 over that month last year, when the rate was two cents.

Motor fuel tax receipts were \$12,525,131 as compared to \$12,277,134 in May 1955.

Total collections for the month were \$44,138,315. In May last year they were \$38,141,035.

March Sales Tax Enriches Towns

Mokena has received \$764.34 and Frankfort \$701.52 from their half cent shares of the sales tax collected in the two villages in March.

The distribution was made by State Treasurer Warren Wright. The tax is collected by the state, along with its 2½ percent and then paid to the villages and cities, less a fee for work connected with the collection and bookkeeping.

Joliet's share for March was \$49,779; Tinley Park, \$1,787; Orland Park, \$534; Park Forest, \$6,914; Chicago Heights, \$20,783; Blue Island, \$12,050; Evergreen Park, \$16,227.

And Chicago gets almost \$2-million for March—\$1,917,282.

Tinley Park Times To Open New Plant On Oak Park Ave.

The growth of this territory, thru which the Semmler Newspapers have circulated for the past 15 years, and especially the growth of Tinley Park, has made it necessary that another plant be established in Tinley Park for the publishing of The Tinley Park Times.

Heretofore, all papers have been published in the central office in Mokena. For many years the Tinley Park Times has had an office in Tinley Park and for the last year and a half Marvin Smith has been in charge there of advertising and public relations.

On July 1 the office will be moved from its present location on 173rd Place near Oak Park ave. to 17729 South Oak Park ave., into a new building erected by the owner, Donald Trylovi. Machinery is now being installed there.

Mokena Pastor Hails Union of Two Protestant Church Bodies

While the formal merger of the Evangelical and Reformed and the Congregational Christian churches will not take place until a year from now when a meeting of the United Church of Christ—as the denomination will be known—is to be held, the union was completed last Saturday at the general council of the Congregationalists at Omaha.

The report approving a basis for union and all the actions since 1947 leading to it, was adopted by the delegates by a vote of 1,314 to 101. The delegates then voted, 1,310 to 179 to authorize a call for a meeting of the new church, June 25-27, 1957 at Cleveland.

The action Saturday gave birth to a brand new Protestant church.

The Rev. William Rieman, pastor of the St. John's Evangelical and Reformed church in Mokena, pointed out yesterday that the merger of the Congregational and the Evangelical and Reformed churches is a large step.

It involves churches holding the Pilgrim and 16th century Reformation traditions. The first hold the congregational and the other the Presbyterian systems of organization.

"By candidly examining their beliefs," said the Rev. Mr. Rieman, "both communions have found that both stand with the main stream of Protestant Christianity with much diversity in non-essentials, but unity in Christ the only true head of the Church. The Congregationalists are grounded in English protestantism, while the Evangelical and Reformed church is descended from German and Swiss origins."

"Both churches have always held concern about the scandalously divided state of Christianity," the Mokena pastor continued. "They have taken a brave step in faith to contribute their share towards a more united Church of Christ."

"The name chosen under the plan of union—the United Church of Christ—leaves the door open wide for further union negotiations."

"St. John's Evangelical church of Mokena fully approves this union. It is in line with its spirit and work. For years it has been a home for all Christian people, thus avoiding the divisiveness, tendencies in a small community."

"The highest authority," the Rev. Mr. Rieman went on, "is Christ the Son of the living God. Man is saved by a living faith in Christ. This faith is generated by the Holy Spirit and nurtured by the Word of God and such means of grace as baptism and Holy Communion."

"For this experience a full measure of religious liberty and freedom of conscience is granted. Not the outward conformity, but the inward unity of the followers of Christ is essential to Christian discipleship."

"The centrality and authority of Christ is affirmed against the clamor of tradition and sects."

The final action of merging the two churches brought to an end 14 years of negotiations and set a precedent in creating the first union between two Protestant churches of different origins and traditions. The Evangelical and Reformed church had approved the merger earlier

At a public auction sale held in the Lincoln-Way high school building and a part of the regular board of education meeting, the working cash fund bonds for the high school were sold to McDougal and Condon, Inc., 208 South LaSalle street, Chicago. Even though eighty three financial and bonding firms were invited to bid on these bonds, there were only four who actually participated in the sale. The successful low bid called for an interest rate of 3.3847, or a total interest of \$5,500 for the nineteen year retirement period and for the total issue of \$159,000.

These working cash fund bonds were issued and are being sold as previously advertised in order to pay off outstanding school indebtedness amounting to \$37,000 for teachers' orders being held by local banks and the \$122,000 tuition bill owed to the Joliet Township high school district.

While this interest rate is considerably more than the rate established for the other school bonds issued, it does reflect the policy of our federal government in raising the interest rates all over the country along with their long term government bonds.

The four firms' bidding on this issue included: Allen Blair and Company, Barkus Kindred, Scott and Wyandt, and the company which was awarded the issue.

Two Mokena Women Attend State Amvet Conclave at Peoria

The president of the Mokena Amvets Auxiliary, Post 183, Mrs. Katherine Zink, and the post's public relations officer, Mrs. Jeanne Opitz, represented the unit at the annual state convention held last Saturday and Sunday in Peoria.

They were elected delegates by the local unit and will give a report on the convention at the next meeting. The last meeting of the auxiliary was held Thursday, June 21, at the home of Mrs. Zink.

Business and Finance

Ins. Business Finance stand, WW
Maurice P. Angland

About two months ago this column predicted a fight between the giants of the life insurance field over what are termed "variable annuities" and their sale by life insurance firms. The Prudential Life desires to sell such variable annuities and against this idea stand the Massachusetts Mutual and the Metropolitan Life.

Variable Annuities are annuities in which premiums are in-

vested in common stocks. There is great similarity to Mutual Funds and their sale is likely to be based on the experience of Mutual Funds as against "fixed dollar" obligations over the years. Insurance firms desiring to sell variable annuities, desire to do so under supervision and regulation of various state insurance commissions rather than as an investment under the rules and supervision of the government's Securities & Exchange Commission. The regulations and rules of the SEC as to sale, taxation, and full disclosure of information, are very different from those of insurance regulatory bodies. The SEC also has many years of experience in such investment regulation whereas the state insurance commissioners may not have the trained staffs and files available to the SEC.

The SEC, most investment bankers, and brokers etc., are of the opinion that the variable annuity really is an investment since its value is dependent on market value of the common stocks held and is not an insurance claim for a particular amount of dollars at the end of a given period of years.

Most financial writers agree

with the SEC and naturally the Mutual Funds and investment bankers agree. With small exceptions, Mutual Funds are marketed by members of the National Association of Securities Dealers and, in addition to the regulation of the SEC, this association tries to make certain that salesmen of its member firms are qualified to handle investment problems. There are examinations and strict rules of conduct. Violation can bring expulsion. Most states have an entirely different regulatory body for investments and insurance.

New Jersey, home state of Prudential Life is presently considering legislation permitting sale of variable annuities in that state. The SEC has taken action against a small Washington, D. C. insurance firm now selling variable annuities, to force their registration as an investment medium.

In testimony before New Jersey senate business affairs committee, Frederick W. Ecker, president of Metropolitan Life, stated that a "true annuity" is a fixed dollar annuity and that variable annuities would be detrimental to the whole insurance business.

Carroll M. Shanks, president of Prudential Insurance, stated that variable annuities would end a dilemma of purchasers of fixed income annuities the value of which is much less, in purchasing power, than it was anticipated when originally purchased due to dollar depreciation.

The reasons for desire of insurance firms to enter the variable annuity field is obvious for following reasons:

1. Sales of annuities by insurance firms has declined very substantially due to dollar depreciation.

2. Insurance firms with wide sales organizations can reach a sales coverage that would be un-economic for investment firms as a bring back to insurance firms the annuity business which was large.

3. Mutual Funds which solicit business of the small and the large investor, have had tremendous increases in the last few years and demonstrated ability to more than keep pace with the dollar depreciation.

4. Pension funds of smaller groups and firms as well as some of the larger ones, are interested in protecting against dollar depreciation and have turned to Mutual Funds as an investment vehicle. This has been an important source of business for insurance firms.

This fight by insurance firms to enter the variable annuity field and regain their lost annuity business, has only started. It will reach into the state legislatures of most states and into Congress itself. The stakes are very large.

Selling and Repairing Shoes A Family Affair With Bilotti

by Anne Rodger

Albert Bilotti, owner of a shoe store at 17026 Oak Park ave., Tinley Park, literally followed in his father's footsteps. The elder Bilotti learned the shoe repair trade in his native Italy. His first store in America was in Blue Island. He later moved to Midlothian, where he

At a recent meeting of the Methodist Dramatic club, committee's for the coming year were announced by the president Gerald Johnson, and plans for the fall play were discussed. The following committees were appointed: Play reading, Lucille Tovrov, chairman, Jane Anderson and Ronald Crisman; program, Vera Chapman; advertising, Patricia Johnson; tickets and ad solicitation, Ronald Whitaker; publicity, JoAnn Crisman; set construction, Harry Gougar, and Charles Elliott; make up, Dick Keeley, chairman, Janet Gougar, Joyce Drotts and Donna Keeley; membership, Ronald Whitaker, chairman, Betty Martin and Lucille Tovrov.

Plans were made for two 1 act plays to be presented in the fall. They will be directed by Dorothy Sheeler and JoAnn Crisman with Lois Loebe as between act co-ordinator. Try outs for the fall plays will be held at the home of Jane Anderson at the August picnic. The June meeting was held at the Crisman home following a potluck

a shoe store in Palos Heights.

The local store owner attended St. Benedict's school and Blue Island high school. Before opening the Tinley Park store he worked with his father in Midlothian. He sold his home in Midlothian and moved to Mokena last December.

The shoe store carries a complete line of shoes for the entire family and the owner gives a guarantee of satisfaction with every pair of shoes he sells. He is particularly careful in fitting children and must be satisfied the shoes are perfectly adapted for comfort.

The family shoe store now is featuring a complete stock of summer shoes, including sandals and canvas wear. It also carries a complete line of rubber footwear for the winter months. Shoes made by Endicott-Johnson are carried exclusively. His store is also fully equipped to repair all types of footwear.

Observes 25th Anniversary

The 25th wedding anniversary of Mr. and Mrs. Walter Salezwedel of Frankfort was celebrated Sunday evening in Saenger hall, Tinley Park, which was arranged by her relatives in that village.

There were 400 guests present, among whom were the attendants at the wedding 25 years ago, Mrs. Herbert Schmadeke of Matteson and Arthur Schoel- ing of Chicago Heights.

Mrs. Salezwedel was presented an orchid corsage and he a carnation boutonniere.

Many relatives and friends of Frankfort were present. Also his mother, Mrs. Minnie Salz- wedel and brothers, Mr. and Mrs. William Salzwedel and Al- bert of Lake Field, Minn.

In honor of the occasion a family dinner was given in Tin- ley Park in the home of Mr. and Mrs. Wilbur Manzke. As- sisting at the dinner were Mr. and Mrs. Erwin Manzke and the Rev. and Mrs. Adolph Ul- rich of Matteson.

The honored couple received many beautiful gifts.

The agricultural department of the 1956 Illinois State Fair will award \$6,676 in premiums during the 10-day run of the ex- position, August 10 through 19.

Shirley Tarrant, Robert Emperor Wed in Double Ring Ceremony

Miss Shirley Ann Tarrant and Robert Emperor recited nuptial promises in St. Jude's Catholic church, New Lenox, at a 10 o'clock double ring ceremony June 9. The bride is the daughter of Mr. and Mrs. John Tar- rant, 116 Pine street, New Len- ox, and the bridegroom is the son of Mr. and Mrs. Wilbur Em- peror of Frankfort.

Rev. Denis Hall officiated at the late spring wedding cere- mony, before an altar decorated with palms and white gladioli. Miss Ann Bruce of Chicago, sang "Ave Maria." "On This Day Oh Beautiful Mother," and "Panis Angelicus" accompanied by Mrs. Elaine Griffin at the organ.

Given in marriage by her father, the bride wore a white Chantilly lace over satin gown, that she made herself. It was fashioned with a fitted bodice, tiny self covered buttons down the front to the waist, Peter Pan collar and long sleeves that tapered to points at the waist. Her full skirt was worn over Dior hoop and her French illu- sion finger-tip veil was attach- ed to a crown of seed pearls.

She carried a lace covered prayer book adorned with a white orchid and lily of the valley streamers. Her only jewelry was a tiny pearl Cross and earrings that were a gift from the groom.

Mrs. Thomas Fedo attended her sister as Matron of Honor. She was attired in a Lovebird green crystalet floor length gown fashioned with a portrait neckline, fitted bodice, and a large bow at the back of the neckline that fell in streamers three-quarters of the way down the full skirt. Her net Bustle had matched her dress, and she carried yellow daisies with matching streamers for her dress.

Dressed identical to the matron of honor, except for color, were the bridesmaids, Mrs. Betty Zel- lar, Mrs. Donna White, and Mrs.

Joan Emperor. Their dresses were in orchid, pink and blue. They all wore pearl chokers and ear rings, that were a gift of the bride.

Little Diane Zeller, cousin of the bride was the flower girl. Her dress was styled like that of the other attendants, in blue. She carried a bouquet of tiny pink rosebuds. Larry Zellar also a cousin of the bride, wear- ing a tuxedo, was the Ringbear- er.

Wayne Emperor, brother of the groom served as best man. William Zellar, Thomas Fedo and Robert White were the ushers. The bride's mother chose a blue nylon lace dress with pink accessories and a corsage of pink carnations. Mrs. Emperor mother of the groom, wore pink ac- cessories and a corsage of pink carnations to accentuate her beige colored lace dress.

A wedding breakfast was served at 12 o'clock at the Sherwood dining room in New Lenox for the immediate families and brid- al party. The white linen cov- ered table was centered with a wedding cake. Bouquets of garden flowers, blue and pink candles, and lily of the valley place cards also decorated the table.

A reception for more than 300 guests was held at the Lions Den that evening. A three-tiered cake, red roses, rainbow colored streamers, and white candles decorated the brides table. Miss Janice Johnson of Frankfort had charge of the guests book; Mrs. Oran Deist cut the wedding cake; and Mrs. Earl Ullrich and Mrs. George Kennedy served.

Following a wedding trip to the Ozarks, the newly- weds are now at home to their friends in their newly furnished home on Woodlawn ave., New Lenox. The bride is employed at the Rock Island offices in Chicago, the bridegroom at the Joliet Arsenal.

Phyllis Jacks, Chicago, Becomes Bride of Ronald Feldner, Tinley

Nuptial vows were exchanged Saturday, June 16 by Miss Phyl- lis Jacks, daughter of Mr. and Mrs. Julian K. Jacks, 4353 N. Western avenue, Chicago and Ronald Feldner, son of Mr. and Mrs. Peter Feldner of Tinley Park. The high nuptial mass took place in the Queen of Angels church with Father Cannon read- ing the double ring ceremony.

The bride, escorted by her father wore an Italian silk gown with chantilly lace insert and train; a Juliette cap with three- tiered veil. She carried a bou- quet of white carnations center- ed with two white orchids.

Roberta Jacks was maid of honor for her sister. She wore a gown of blue silk, covered with white eyelet organza with blue accessories.

The bridesmaids, Joan Batch- elor and Theresa Eamovich wore gowns of white silk covered with white organza with blue ac- cessories. The three attendants carried sprays of carnations tinted pale blue.

Joseph Feldner was best man with Roscoe Vitacca, and Robert Neusel as ushers. They wore summer tuxedo suits.

The bride's mother was gown- ed in blue with like accessories while the groom's mother wore a gown of rose silk organza with rose and silver accessories. Both wore a white orchid corsage.

Special guest was Grandmoth- er Stella Szymanski from Cal- ifornia. Also seated at the bride's table as honored guest was the Rev. Thomas O'Connell. Din- ner was served to 135 guests at the Tam O'Shanter Country club in Niles.

The New Mr. and Mrs. Fel- dner left for a trip to the Black Hills and the Badlands of South Dakota. Upon their return they will reside at 7133 W. Hickory Street, Tinley Park.

The bride is a medical tech- nologist at St. Francis hospital in Blue Island. The groom will enter Stritch medical school in the fall.

Ruth Rodgers of Homer and John R. White, Joliet, are Wed

Homer church was the scene of a beautiful summer wedding when Rita Ruth Rodgers, daugh- ter of Mr. and Mrs. Harry Rod- gers of Homer road, and John R. White, son of Mrs. Elizabeth White of Joliet, were united in marriage by the Rev. Philip Muth, in a candlelight, double ring ceremony at 8 o'clock on the evening of June 9.

The beauty of the altar was enhanced by an arch of palms and candles and two large bou- quets of white gladi, baby mums and feverfew.

A half hour of wedding music was given by Betty Anderson, organist, and Robert Langlois, soloist. Mr. Langlois sang "With This Ring I Thee Wed," "Sweet- est Story Ever Told," "Through the Years" and later in the rites, "The Lord's Prayer."

Darlene DePra lighted the candles.

Promptly at 8 o'clock, Fave Rodgers, junior bridesmaid led the bridal party down the white carpeted aisle. She was follow- ed by Joan Cook and Cissy Whalen, bridesmaids, Mrs. John Hollister, matron of honor, flower girls, Joan and Mary Whalen, nieces of the groom, and ring-bearers, Melvin DePra and Tommy Lau- fer, cousin of the bride. The bride then entered, accompanied by her father.

The wedding gown was of ac- cordian pleated tulle with side panels of imported lace over satin, fashioned with a petal finger-tip tulle veil was secured to a heart shaped cap of the neck-line and a short train. The bride wore white lace mitts com- pleted the costume. The cap was

edged with tiny pearls. The bridal bouquet was of small white mums centered with a white orchid.

The attendants wore identic- ally made dresses in shades of pink and blue crystalet over taffeta.

Bruce Barnes of Joliet served his friend as best man; the us- hers were Kenneth and Harold White.

Miss Yvonne Alling of Joliet attended the guest book.

The reception which followed immediately in the church social room was attended by about 150 guest. Mrs. William Hansen cut and served the wedding cake assisted by Misses Kathleen O'Leary and Bonnie Cagwin. Mary Buck and Sue Rowley pre- sided at the silver coffee urns and Norma Loucks at the punch bowl. A dainty lunch was served by Homer church women.

For her daughter's wedding, Mrs. Rodgers wore a dusty rose lace over taffeta with powder blue accessories, while Mrs. White, Sr. was dressed in delft blue nylon with white access- ories.

Following a short honeymoon the young couple are living in an apartment on Young's ave., of L.T.H.S. and Joliet Junior Joliet. The bride is a graduate college, and is presently doing office work at the Joliet Arsenal. John is employed at the steel mills and will continue his studies in metallurgy in the fall. He has completed four years in the navy.

Knowles-Holman Nuptial Vows Spoken at St. Jude's Church

Married at an 11 o'clock nup- tial mass Saturday morning, May 12 in St. Jude's Catholic church, were Miss Patricia Ann Knowles, daughter of Mr. and Mrs. Edmund T. Knowles, South Cedar Road, New Lenox, and Wendell Keith Holman, son of the Robert Holmans, 839 South Main Streets, Kankakee.

Rev. Denis Hall officiated at the spring, double ring cere- mony, before an altar decorated with palms and seasonal bou- quets. "Ave Maria," "Hail Holy Queen" and "Panis Angelicus" were sung by Lawrence Gall- agher of Joliet, accompanied at the organ by Mrs. Elaine Griffin.

Given in marriage by her father, the bride wore a gown of embroidered nylon tulle styled with a portrait neckline edged in pleated nylon tulle. Lace ed- ged and pleated panels down the gigantic skirt and the fitted bod- ice. Her finger-tip veil of French illusion was held in place by a crown of pearls. She car- ried a satin prayer book orna- mented by a white orchid and white carnation streamers, and a white chrysalis Rosary. Her single strand of pearls was a gift of the bridegroom.

Matron of honor was Mrs. Wil- liam Knipple of Neosha, Mo., sister of the bride. Her waltz length princess style gown was of aqua nylon with applique daisies on the skirt. Completing her ensemble was an aqua pic- ture hat and pink sandals. Her pink pearl ear rings were a gift from the bride, and she carried a crescent bouquet of pink daisies.

Dressed identical to the honor attendant were bridesmaids, Miss Phyllis Holman of Kankakee; Miss Shelby Brown, of New Lenox and Mrs. Edmund Know-

les of Manhattan, and the ju- nior bridesmaid, Miss Jill Know- les.

Little Theresa Cook of Chan- ahon was the flower girl. Dressed in pink and white ny- lon she wore aqua flowers in her hair and carried a bouquet of aqua daisies. David Holman, brother of the groom was the ring bearer.

Donald Kerouac of Bradley attended Mr. Holman as best man. Acting as ushers were, Ed- mund Knowles, Edward Schweiz- er, and James McFarland.

The bride's mother chose a blue linen dress, pink access- ories, and a corsage of pink tea roses. Mrs. Holman, mother of the bridegroom wore pink ac- cessories and a corsage of pink tea roses to accentuate her aqua colored dress. Mr. and Mrs. Phillip Holman of Princeton, attended. She wore a white car- nation corsage, and accessories to match her dress.

A reception for more than 300 guests was held at the Lions Den that evening. The bridal table was covered with a white linen spread. A wedding cake with spring flowers and candelabra decorated the table.

Mrs. Dominick Chellini had charge of the guest book; Mrs. Robert Bernicky, Mrs. Lester Schumacher, and Mrs. Delbert Hendricks served.

When the couple left for a wedding journey thru the south- ern states, the new Mrs. Holman was wearing a brown and white check sheath, brown and white check duster, and brown accessories. They are now at home to their friends at 295 North Blaine st., Bradley.

The new bride and groom are both employed in the Joliet Ar- senal offices.

Traffic crashes on Illinois during May, a two per cent in- crease over the 182 fatalities listed in May, 1955.

In reporting this showing, Di- rector Edwin A. Rosenstone of the Department of Public Works and Buildings pointed out that traffic deaths in Illinois for the first five months of this year are four per cent lower than for the similar period in 1955.

Bureaucracy At Work

The statistical boys with political connections are at it again. A traffic survey—of the type known to the statistics trade as an origin and destination survey—is being conducted on U. S. Route 30, under the auspices of the federal government. The purpose of the thing, other than to provide some boggling jobs, is difficult to determine. If the purpose is to annoy motorists the thing could be called a success. And if it is to demonstrate how easy it is for the bureaucratic minded to push people around, another success is achieved. Last Friday morning a swarm of payrollers settled down on a stretch of Route 30, about a half mile west of Wolf road, and began stopping cars traveling both ways to interrogate drivers as to where they had come from, where they were going and why. Why anyone bothers to answer the questions or if the road ahead is clear why anyone stops in the first place, is a demonstration of the triumph of bureaucracy over the public. The bureaucrats got dug in

under the New Deal and since then have gained steadily in numbers and weight. Their growth was stimulated, of course, by a strong leftist swing and a couple of wars, but public acceptance and obedience are big factors too. The bureau boys are running municipalities now, as witness the trend toward city managers, and their ultimate goal is to run the entire show. When viewed under this light one can see that from the bureaucratic standpoint such projects as traffic surveys have their uses in helping to bring the public to heel. Each time an individual submits to interference in his private affairs by some bureaucrat, his strength to resist such invasions of his rights is weakened. In time he will have no resistance—and no rights.

The traffic survey now going on reminds one of the days of the PWA, except that those on the survey do not have shovels on which to lean. They cradle clipboards against their chests and lean on cars. To us the survey of the moment seems rather silly. It does not require a giant brain nor a survey to know that Route 30 carries a lot of traffic and will continue to do so as long as people drive cross-country in automobiles. Nor does it require a master mind or survey to determine that the present route is too narrow and that the motor public would be served better if there were two roads, one going east and one west. The federal government is in many kinds of business to the bitter cost of millions of taxpayers but highway building isn't one of them. It is to be hoped that the bureau boys bungling in other forms of business will not add road building to their list.

There has been talk of the state improving U. S. 30 for a long time and it probably will be a long time before anything is done but there is no need for prolonging the delay by another traffic survey.

You see, the information obtained from the drivers halted in the course of the bureaucrats' field work, is funneled in to statisticians and engineers who in turn compile figures and words that in turn are studied by other engineers and so-called experts who finally come up with a voluminous report which can be interpreted only by other engineers and experts in double talk or bureaucratic gobblety-sock.

This process consumes between two and three years so that by the time the report is ready conditions have so changed the data is no longer of use and it is then necessary to conduct another survey. Oh, brother!

The Country Charms 4H club met at Homer church dining room Wednesday evening, June 20, with 10 members present. Plans were completed for the square dance which the group sponsored at Homer fire barn Friday evening, and which proved to be a very successful social event.

Cooking and sewing demonstrations were given at the Wednesday meeting and drop biscuits were the special subject of discussion. Refreshments were served by Anna Beckett and Nancy Holt. The next meeting will be at the Burcham home on July 9.

The Wayside Workers' circle of King's Daughters will hold their annual picnic dinner at Homer church recreation rooms Thursday, July 5, convening at noon. Each member is asked to bring her own table service and a dish to pass. Guests are invited. There will be a period of recreation following the regular business meeting and devotionals. If anyone has used greeting cards to donate to missions, please bring them to the meeting.

Reed L. Burch spent the weekend with his parents here. He was on the return trip from Boston, where he spent two weeks testing planes, to Seattle, where he is stationed with Boeing aircraft.

Mr. and Mrs. C. G. Rowley spent last weekend in Urbana where they attended the graduation exercises of their granddaughter, Mrs. Joan Harvey.

Mr. and Mrs. Laverne Kasper and daughter, Beverley, arrived here from California Tuesday to spend the summer with relatives.

Mrs. F. J. Paddock is spending several days with her sister, Mrs. Earl Leffler, at Naperville.

About 40 people attended the Fellowship dinner at the church; graduates who attended were Mrs. John White, Virginia Buck, Stewart Reiter, Edna Mae Burcham, Bonnie Mlynarik and Betty Anderson. A special part of the meal was a large beautifully decorated home made cake which was donated by three neighbors, Mrs. Meyers, Mrs. DeSandro and Mrs. Mlynarik.

Sunday July 1 will be the quarterly communion service at Homer church.

Mrs. Edna Mergler left Friday for Kansas City where she will spend several weeks with her daughter, Mrs. Verna Ault.

John Garbrand left Monday for New York where he will take an intensive training course in Radar work. Mrs. Garbrand and infant daughter will stay with relatives here during his sojourn.

CARD OF THANKS

We wish to thank all friends for their kindness shown at the time of the death of Fred Dalaker; for the sympathetic services of the Mokena Amvets and VFW members and to the Rev. Erich Bizer for his comforting words and for the floral offerings.

THE FRED DALAKER ESTATE

Building permits have been issued by Will county for homes outside of incorporated areas which include two 4 room frame houses on 116th st., Mokena to Glenn T. Hensel, Joliet; and to A. P. Belanger, for a three room addition to his home on Hamilton st., between 115th and 116th st., west of Mokena.

Mr. and Mrs. Charles Kiedaich entertained in her home

on Front street Saturday evening to honor the 7th birthday of their son Robert. Guests were relatives who were, grandmother Mrs. Josephine Kiedaich, uncles and aunts, Mr. and Mrs. Richard Gauger, Joseph Kiedaich and daughter Laura of Berwyn, Mr. and Mrs. William Kiedaich, Riverside; Mr. and Mrs. Edward Kreilek, Brookfield; Mr. and Mrs. Glenn Smetana and children Mark and Lynn, Tinley Park and Mr. and Mrs. James Smetana, Mokena. A barbeque supper was served on the lawn with games for the children. Robert received many nice gifts.

Mr. and Mrs. Irwin Howes and family were pleasantly surprised Monday morning when their daughters arrived from Odessa, Texas for a two weeks visit. They are Mr. and Mrs. James Benfield and Mrs. Judy Marcellis.

The Mokena community daily vacation Bible school came to a successful conclusion last Friday with an enrollment exceeding

200. Closing program was given by the children and their handwork was exhibited.

The new home being built by Mr. and Mrs. Robert Schulz next to the home of her parents, Mr. and Mrs. Lester Schick, on Wolf road is progressing nicely.

Mr. and Mrs. Barney Hostert entertained at a family picnic at their home Sunday.

The Methodist church was filled to capacity Sunday morning for the farewell service conducted by the Rev. Dale Kleinschmidt, who has been pastor of the church for the past two years. Mr. Kleinschmidt has decided not to be a pastor of a church this coming year so he can devote his entire time to finishing his studies at Garrett Biblical institute thus being able to finish this course and receive his degree within the next year. The entire congregation regrets having him and his wife leave and wish them much success.

Patty Dath, Margaret Jones, Charlene Kurmat, Sandra Swinford, Leonard Hennrich and Du-

ane Maue left last Sunday morning for Tower Hill youth camp near Sawyer, Mich. This camp is operated by the Illinois conference of the Congregational churches and is located on the shores of Lake Michigan opposite Chicago.

Tri-County All-Stars to Play Saturday

Tinley Small Fry Hold Lead as Second Round of Play Begins

The Tinley Park Small Fry league will get off to a good start in the second round of play Saturday.

They upset Mokena on their home diamond 6-5 last Thursday and on Monday of this week they walloped Orland Park 6-1 at Tinley.

Mokena now has a 3-2 record. The two teams were evenly matched, but Tinley got off to a good start in the second round when Mike Meakim hit a grand slam home run with Holt, Virtue, and Rodger on bases.

Tinley won the game in the last inning when Ronald Rodger walked, went to second on a single by Grossman and advanced to third when Meakim came thru with a triple, scoring Meakim and Casey. Ronnie Holt singled, scoring Romanenghi.

Another run was added in the fourth inning when Wehr walked, advanced to second on Grossman's long fly and scored when Meakim singled.

Holt and Sorensen both walked and crossed the plate when Mike Goebel doubled to center to end the scoring for Tinley. Orland's only run came in the fifth inning when Nicholson singled and scored on Zinn's sharp double to right.

The winning pitcher was Romanenghi while Temans was charged with the loss.

A Governor William G. Stratton trophy will be awarded to the best foreign type cheese made in Illinois and exhibited during the 1956 Illinois State Fair, August 10 through 19.

Sportabout

by JACK MAYPOLE

Fishermen, vacationers and just plain water wanderers at long last are beginning to get some of the attention their number merits in the midwest.

For many years this great area has been without adequate detailed information on routes, camps, landings and waterways. Now publications giving this good information are appearing or in the making.

The Johnson Motor Company of Waukegan has just come out with what it calls a "pilot" guide for Wisconsin. It was created after months of research by Don Cullimore, veteran outdoors writer and former head of the company's publicity department. Don recently had to move to Fla. because of his health but he has left a fine memorial behind him in this booklet.

In his book he makes clear that Johnson does not intend to go into the publishing of guides but that the need for such publications is great and growing and that, on the basis of his "pilot" book, he hopes others will undertake similar efforts.

Wisconsin was chosen because of the great varieties it offers for boating, Cullimore wrote. The book contains no advertising and is not a commercial venture. However, it may be obtained from any Johnson dealer for 25 cents, which covers only part of the cost of publication.

We do not hesitate to recommend it with its wealth of maps, detailed information on fishing, boating, dockages, repair sites and camping and lodging listings. These include a fine outline and chart of the Mississippi river bordering Wisconsin.

Routes outlined are not only for outdoors but for cruisers.

What Cullimore apparently did not know when he created the book is that the Outboard is engaged in editing and printing.

Five in Quest Of Repeat Win At Mazon Bowl

Five drivers will be seeking second feature race victories in the stock car races Sunday at the Mazon Speed Bowl, while a score more—many of them seasoned veterans—will be going for their first triumph.

Bob Scroggins and Bernie Wilhelm of Joliet, Dan Curley of Milwaukee, Paul Burrow of DeKalb and last Sunday's newest winner, Frank Zink of Channahon all will be aiming for their second main event victory.

Usually by the end of June at least one driver has scored a repeat in the feature race. But this season none of the winners has finished as high as third, after posting the feature victory.

Among the more capable pilots still looking for victory No. 1 is Bill Barnes of Rockdale, Barnes a heavy winner in past seasons, has placed second once and third twice in main events.

Several newcomers will make appearances at the Speed Bowl Sunday. Among them will be Pat Patterson of Aurora, Art Moads of LaSalle and Vic May of Oswego.

Time trials will start at 1:30 p.m. and the first race at 2:30 p.m. There will be four heat races, a handicap event and 30 lap feature.

Last Sunday's results: Feature - Frank Zink, Channahon, 1st; Walt Kowalczyk, Morris, 2nd; Bill Barnes, Rockdale, 3rd.

1st heat - Bernie Wilhelm, Joliet, 1st; Barnes, 2nd; Zink, 3rd.

2nd heat - Russ Gordon, Chicago, 1st; Clem Lewandowski, Joliet, 2nd; Walt Soland, Joliet, 3rd.

3rd heat - Vic May, Oswego, 1st; Kenny Hubrich, Joliet, 2nd; Harold Locke, Ottawa, 3rd.

4th heat - Paul Burrow, DeKalb, 1st; Kowalczyk, 2nd; George Connor, Joliet, 3rd.

Handicap - Zink, 1st; Wilhelm, 2nd; Kowalczyk, 3rd.

Wildhaber Figures To Take Over Lead In Midget Field

"Wild" Willie Wildhaber, consistently one of the best drivers in the business, figures he's ready to take over the lead in the point standings in the midget auto races Saturday night at Joliet Memorial Stadium.

The Lexington, Ill. driver moved into contention last Saturday when he won the 50 lap feature, for which more points are awarded than for the standard 25 lap main event.

Wildhaber's victory was marred by the death of one of the drivers, Earl P. Sims, 30, of Chicago, who was killed when his auto crashed into a retaining wall in the fourth heat race.

Wildhaber will have to contend with three earlier feature winners, Tony Saylor of Joliet, George Saylor of Chicago and Ken Rubright of Lyndon, Rubright, Tony Lenti of Chicago who returned to action last Saturday and Bob Tattersall of Streator.

Saturday's program will start with time trials at 7:30 p.m. and the first race at 8:30 p.m. There will be four heat races, a handicap event, 15 lap semifinals and 25 lap feature.

Manhattan Field To be Scene of Annual Contests

The annual all-star games between the southern and northern divisions of the Tri-County Small Fry league will be held in Manhattan Saturday, June 30.

The Small Fry game will start at 6 p.m. and the Babe Ruth all-stars will take the field at 8:15 p.m., playing under the lights.

All-star teams are made up of two members of each team, plus three additional players selected by the managers of the all-star team. The manager whose team is leading the league at the end of the first half of season play, manages the all-star team.

The northern section teams won both games last year, the Small Fry 4 to 3 and the Babe Ruth—it was the Pony league last year—contest 10 to 1.

Tigers Lose to Calumet Park

Last Sunday, June 24, the Tinley Tigers traveled to Calumet Park and lost 13-2 to the league leaders. The only bright spot in the game was a 2-run homer by the Tiger catcher, Dick Cowger, in the second inning.

Calumet Park made use of 3 Tiger errors in a jittery first inning to come up with 2 runs on only 1 hit. Tinley bounced back surprisingly however, and tied it up on an infield single by Dan Anfield and a mighty blast over the center field fence by Dick Cowger. The score remained at 2-all until the fourth inning when Cal Park broke loose for 3 runs on 2 hits and a base on balls. Then came the fateful seventh. By the time the last man had been retired, Tinley had employed the services of three pitchers. The result: 8 runs on 8 hits and 3 bases on balls.

Tinley Police League Outfit Wins Opener

The hard-hitting Tinley Police all-stars opened their league schedule with a decisive win over the highly-rated Park Forest aggregation with a 7-4 victory.

Jerry Miller's fine pitching coupled with his timely hitting, held the visiting team in check. Tinley scored in the first inning when Jerry O'Neill tripled with two men out but, scored on Bob Rodger's single to center. Another run was added when Rich Tindall walked, moved to second when the pitcher bobbled Steve's grounder and scored on Miller's single.

In the third, Miller was safe when the third baseman threw wild to first and he scored on Rodger's triple to left field. Hartwig struck out, but Rich Tindall followed with a long home run.

Miller opened the fourth with a home run, Rodger singled after two were out, but died on first when Hartwig fled to left field. Tom Mortenson scored the final run after walking, stealing second and third and crossing the plate on a passed ball.

The Tinley Police team will travel to Matteson next Sunday July 1. Players, coach and sponsoring police hope to see many localities turn out to watch the boys in action. Game starts at 2 p.m.

Mokena Leads Ruth League at Half-Way Mark

In the two Babe Ruth games played Friday, June 22, by the northern division Tri-County baseball league, Mokena and Orland Park teams were victors.

The overtime game between Orland and Tinley Park finished by a close margin of 6-5.

The teams were tied at the end of seven innings at 4 each. Coley of Tinley scored after reaching first on a walk, followed by Hartman who walked, and scored when Meyer grounded out to Gorman.

Janulis and Brosenick, first batter for Orland in the seventh, walked and scored on Gorman's long single to right to win the game.

Mokena Babe Ruth team is now in first place with a 11 hit attack against 3 by Matteson, whose hurler gave up 12 walks and 15 runs.

Lee Yunker, Mokena's starting pitcher, lost his control and had to be relieved by Lew Johnson who after a shaky start, pitched brilliantly in relief to get credit for the win.

Mokena scored 3 runs in the first inning on one hit, five walks, and an error. In the second inning they scored 7 runs on 6 hits and 4 walks.

Matteson scored 6 runs in the first inning on 3 hits and 5 walks, after which Johnson settled down and was tough to hit in the pinch.

Tinley Girls Softball Team Taps K's 11-3; Record is Clear

The Tinley Park Girls' Softball team traveled to Kankakee Wednesday, June 20 and returned still unbeaten as they won their second straight game, 11 to 3.

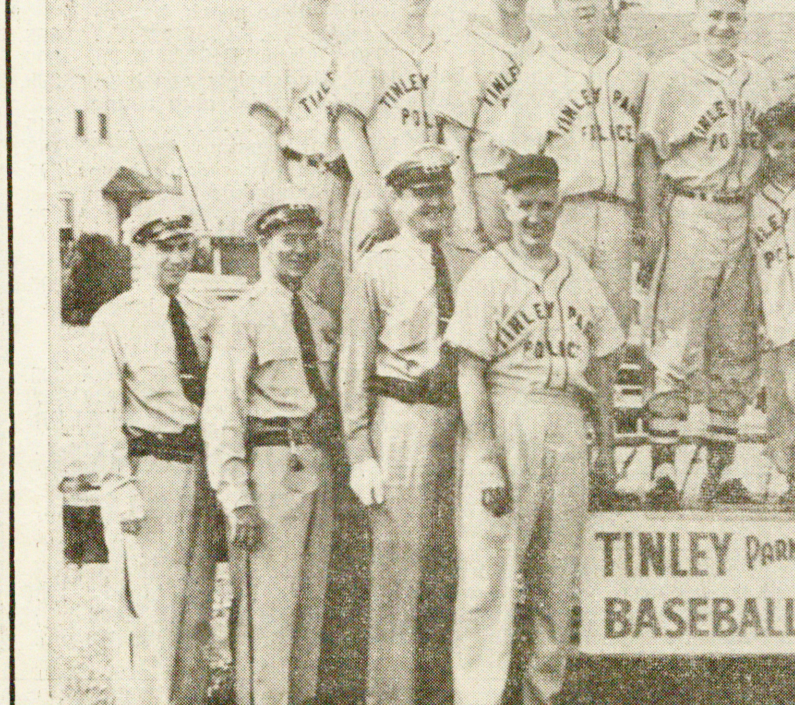

Tinley led all the way after breaking a 1-1 tie in the second inning. The superb pitching of Mickey Yunker backed up by outstanding defensive play, iced the game for the home team the fifth inning.

In the final two innings Tinley scored five more runs and Kankakee two runs to make the final score 11-3.

The Tinley Park Girls Softball team play on Wednesday evenings. Home games are played on the Memorial park diamond under the lights. They finished second place in the league last year.

Coaches William Bingham and Norm Ryan, who are doing a fine job of coaching, invite residents to attend the games for an evening of cool comfort and thrilling play.

Tinley Park's Newly Organized Police League Nine

Nightshade Family, Like Most Families, Has its Bad Members

By Robert Mann
Forest Preserve District

In our forest preserves we frequently find a vine-like plant, with long slender woody stems, twining or climbing at the base of a big tree. It is also found next to buildings, along fence rows and on ditch banks. It has modest clusters of blue 5-lobed flowers with yellow centers, and these are followed in midsummer by little scarlet berries, with thin transparent skins, that look like tiny tomatoes. They should not be eaten, because they are mildly poisonous. This is the Climbing or Bittersweet Nightshade introduced from Europe but now naturalized and widespread in this country.

The Nightshade Family has about 1700 species, most of them to or originating in the tropics. It includes the "Irish" potatoes, the tomatoes, the eggplant and the peppers. Several plants famous for their narcotic and poisonous properties belong to this strange family, notably: Tobacco, belladonna or Deadly Nightshade, henbane, and Jimson Weed. So do such ornamental species as the petunias, matrimony vine, and the Jerusalem Cherry. It also includes a number of wild species native in various parts of the United States, and some introduced species that have escaped to become wild.

Belladonna, which has escaped from cultivation as a drug plant and become naturalized in some parts of eastern United States, is a shrub with purple bell-shaped flowers and shiny black cherry-like berries. The Black Nightshade also bears drooping black berries, but it is a herbaceous plant and has white flowers. One kind was introduced from Europe but others are native here. In Iowa, Nebraska, and along the Pacific coast, the berries are used in pies and preserves. A cultivated variety called "wonder berry" has been developed.

The Ground Cherry or Husk

Tomato is another kind of nightshade, and there are many species native in various parts of the United States. The most common one in this region is found in meadows and old fields, usually on poor soil. The weak sticky stems, erect or branched and sprawling, bear single greenish-yellow flowers with a brown or bluish center. The round yellow berry is inclosed in an inflated papery husk resembling a Japanese lantern. Unripe, the berries have a strong unpleasant taste but when ripe they taste somewhat like tomatoes and can be eaten raw or cooked to make preserves.

The Bull Nettle or Silver-leaf Nightshade, native here, has spiny stems and prickly silvery-white leaves, blue flowers, and a juicy yellow or orange berry full of seeds. Very similar but having green leaves and pale violet or white flowers, is the Horse Nettle or Sand Brier native in our southern states and now widely spread over the central and eastern states. The foliage and berries of these plants are said to be poisonous if eaten.

The Sand Bur or Beaked Nightshade, native to the Great Plains but now widely spread, is a pest that grows in waste places and especially on sandy soils. The plant is small, very prickly, with yellow flowers. It bears numerous little berries each enclosed in a bur with long, very sharp spines. These cling to your clothing or to the feet and legs of animals, get between a dog's toes, and cause much anguish to barefoot boys.

Jimson Weed, so-called because the early colonists in Jamestown became crazed after eating it, is a tropical plant often found in hog lots and barnyards. It is a tall coarse plant with white or violet funnel-shaped flowers and large spiny fruits. It stinks. Some people get a bad rash by merely touching it. All parts of it contain a deadly poison.

The nightshades go to extremes in both directions: good and bad.

**Highlights Of Farm
Life**

By W. F. Whiteside
Cook Co. Asst. Farm Advisor
The 4H camping season has
officially opened. I spent two
days last week at Camp Shaw-
waw-nas-see helping arrange the
program. Mrs. Carl Johnson of
Richton Park and Joe Mulder-
ing of Worth went down with
me. They were taught the duties
and functions of the adult coun-
sor at 4H camp.

As you read this column, we
are back at camp again, this
time with 100 girls and 33 boys
from 4H clubs all over the coun-
ty. Two other counties camp
with us, giving a total of 300
girls and 100 boys. Too bad more
boys don't attend camp, isn't it
girls?

A typical day at camp will
find campers arising at 7 a.m.,
going to breakfast, attending
flag raising ceremonies, devoting
an hour or so to swimming,
handicrafts, sports, group recre-
ation, nature hikes, tribe meet-
ings.

Dinner and supper are sand-
wiched in at the appropriate
time. Flag lowering ceremonies
are observed and one half hour
is devoted to spiritual song,
verses and meditation.

The evening program is a va-
riety of skits, games, stunts, pa-
geants, campfires, and 4H can-
dlelighting ceremony.

By this time, 9:30 p.m., the
campers are ready for lights out
and a good night's rest.

devotions.

The Always Faithful class met
in the Methodist church last
Thursday afternoon with Mrs.
Edwin Dralle presiding. The de-
votions were in charge of Mrs.
Siegfried Beckman and Mrs. El-
mer Bettenhausen presented the
program. Election of officers was
held as follows: Mrs. Elmer
Morrison, president; Mrs. Earl
Bettenhausen, vice president;
Mrs. Dewey Andres, secretary;
and Mrs. Elmer Bettenhausen,
treasurer. After the meeting a
lunch was served.

The following new officers
of the MYF were installed at
the Methodist church Sunday
evening during a candlelight
service, followed with commu-
nion. Officers are, Beverly Bet-
tenhausen, president; Stanley
Johnson, vice president; Kathryn
Ullrich, secretary; Donald Hoff-

ALPINE
Mrs. E. Mrosek
Fieldbrook 9-2841

Cub Scouts, den 5 of pack 218
visited Chicago's loop Thursday
where they saw the movie, Great
Locomotive Chase, at the State
and Lake theatre. They were ac-
companied by den mothers, Mrs.
Roy Walker and Mrs. John
Cruise.

Ricky Fletcher of Chicago is
spending the week with his aunt
and family, the John Cruises.
Marie Chalfant who teaches at
Pana, is spending the summer
with her sister and family, Mr.
and Mrs. Chester Williams.

Chal, son of Mr. and Mrs.
Chester Williams, a student at
Purdue university, is home for
the summer.

Mrs. Stuart Culp was installed
as a junior regent in impressive
installation ceremonies held by
the Women of the Moose in
Lockport Saturday evening. At-
tending from this district were:
her husband, Mr. Culp; their

weekend house-guests, their son
and wife, Mr. and Mrs. Bud
Slansky, of Worth; Mr. and Mrs.
Albert Reeves and Mr. and Mrs.
Edward Mrosek and Carla.

Others in Alpine who hold
responsible posts in the frater-
nity are Mrs. Albert Reeves,
membership chairman, and Mrs.
Roy Walker, library chairman.

David, son of Mr. and Mrs.
Sigmund Bukowski, returned Fri-
day after a week spent at the
4H camp Shaw waw nas see.

The Edward Mroseks were
not at all gracious about ac-
cepting the 20th anniversary gift
sent them in a big box by their
neighbors, the Henry Felsch's.
Friday evening. The gift was
promptly returned with a "No,
thanks." The gift was a beautiful
lovable and very furry puppy
that had apparently been "dump-
ed" on the Felsch door step that
morning. After admiring it and
after much pleading from Carla
to keep it, Mr. Mrosek shook
his head and handed the little
waif back into the care of Patsy
Felsch, saying, "Nope, looks like
it could be a registered mongrel,
but I already have two dogs of
mixed lineage, and that is
enough." Anyway, the puppy
was not entirely unwanted. A
good home was soon found for it.

Mrs. Chester Williams enter-
tained 12 guests recently at a
stork shower with Mrs. Harwood
Stellwagen as the honored guest.

A curry supper of delightful
and unusual flavor, and about
which guests are still talking,
was served. Thirteen different
kinds of spices were used in
seasoning, so that each bite of
the curry was a different taste
treat. Following the supper,
guests played canasta. Mrs. Stell-
wagen received many lovely
gifts.

Governor William G. Stratton has announced that two popular events for children—the king and queen contest and the newspaper throwing competition—will be staged at the Illinois State Fair Friday, August 10, opening day of the big exposition.

The junior king and queen will be chosen and crowned Friday, will reign that day, and then are expected to return next year for the official opening of the fair and the customary grand parade.

Succeeding days of the fair, until it closes August 19, will be enlivened by craft shows, a western round-up, high school band competitions, volleyball, ping pong, baton twirling and baseball throwing contests, side walk tennis and a square dance exhibition.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Last Saturday 10 neighborhood children gathered in the yard of Barbara Weiss and enjoyed playing in her large swimming pool.

The Cub Scouts last meeting of the season was held last Wednesday on the Eckel lawn. The boys each brought their fishing poles and Mrs. Yoman's, their Den mother, supervised. Refreshments were hot dogs, ice cream and koolaid. The Eckel home adjoins the large lagoon.

Several of the young people from the Woods are attending camps this summer for two weeks. Miss Judy Carroll is going to Girl Scout camp in Juniper Knoll, Wis. Judy hopes she will be able to go with the group called the Wilderness girls as they sleep in tents and generally "rough it."

Dekes Carroll, Judy's brother, will attend boy scout camp in New Mexico. This camp is a huge ranch and covers 127,000 acres. The boys are given a choice of things to do on the ranch and Dekes has picked camping out and hiking.

Charles Harris will attend the Foundation Center Farm in Palos Park. This camp is for

boys and girls over eight years old. Each child will pick an Indian name and merits for camp work will be given at the Indian ceremonial headed by Chief "Sandy," the Rev. Paul Sanders.

Mrs. Gordon Bendix, Nancy, Judy, Jean and Jim have returned from a trip to Washington, D. C. Mrs. Bendix's mother Mrs. Lockhart, accompanied them.

"Andy" is on vacation and hopes to get many things accomplished at home, and on the golf course.

Saturday evening an outdoor steak fry was held. Every one who attended brought their own steaks and cooked family style. After dinner, there was dancing to a hi fi set, out door movies and more dancing by moonlight and everyone had a gay time.

Sunday, June 24 found several of the neighbors from Laguna at the Willow Springs horse show. The Nelsons, Taberts and Andersons attended and Mr. Tabert rode his quarter horse in one of the contests. Many daring fetes were accomplished by the youngsters riding in the show, the boys stood in the saddle of a running horse, rode across the saddle with one foot hooked in the stirrup and spun around the horn of the western type saddle while the horse was running.

Charles Harris celebrated his tenth birthday yesterday with a trip to Riverview Park. His parents, Mr. and Mrs. R. Anderson, Mrs. R. J. Hunter, grandmother, and Barry Thompson Jr. accompanied him. The party had a birthday dinner at the Hunter's home after the trip to Riverview

CHRISTIAN SCIENCE CHURCHES

Man's God-given right of self-government will be brought out at Christian Science services Sunday, July 1, in the Lesson-Sermon entitled "God."

Gideon's answer to the men of Israel who asked him to rule over them will be included in the readings from the King James Version of the Bible (Judges 8:23): "And Gideon said unto them, I will not rule over you, neither shall my son rule over you; the Lord shall rule over you."

The basis of proper self-government will be emphasized in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (106:7): "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love."

The 1956 Illinois State Fair, August 10 through 19, will offer prizes to the youngsters with the reddest hair, the longest pigtails and the most freckles.

Background Scripture: Luke 9:23-36; Hebrews 13:9, 12-25; 1 Peter 1:1-2; 2:19-25; 2 Peter 1:1-2, 15-18; Jude, verses 3, 17-25.
Devotional Reading: Psalm 20.

Nine Letters

Lesson for July 1, 1956

THOUSANDS of Sunday schools for the next three months are going to be studying nine short but immortal letters. These letters are the forgotten parts of the New Testament, for many people. Out of the 27 "books" of the New Testament, all but five are letters. These nine—from Hebrews to Revelation inclusive—make up about 50 pages or one-sixth of the whole Testament. It would be worth the reader's while to make a special study of these letters this summer.

Perhaps all the teachers in a Sunday school could chip in and buy a commentary or two.

Dr. Foreman

Letters from...

No two people write quite alike. All letters bear the mark of their writers even when they are unsigned. So it is with these nine. Some of them are signed, some are not. But the writers can be told apart without any trouble. If Hebrews and James were printed together without a break, a high school student should be able to notice the difference between them. The writer of the first letter is plainly a highly educated man, a man who is keenly interested in ritual and in the history of the Hebrew people. The writer of the second is less highly educated, but a more practical man all around. Not that his advice is any better, but he loses no time getting down to particular problems. The first man is greatly interested in theology, the second is so little interested in it that his letter has worried some people like Luther, for example, who wondered whether it really belonged in the New Testament. Or again, comparing Hebrews with the letters of Paul, the reader can see why scholars are for the most part quite certain that Paul never wrote this one. It

is obviously written by a different kind of man—one who used a different vocabulary, went at problems differently, constructed a letter differently, quoted the Old Testament in a different way; indeed while all of Paul's letters are carefully signed, Hebrews is not signed at all. . . . So one may go through the rest of these letters seeing the writers through what they wrote.

Letters to...

Letters vary according to the persons to whom they are written. A woman writing to her mother, her husband, the tax collector and her boy at school will write four different kinds of letters. So these nine letters were written to different kinds of people. To be sure, some of them were sent to a pretty wide circle of readers (Peter for instance), but even so, that wide circle had something in common: in this case, suffering and persecution. Is it too much to suggest that the Christians John has in his mind's eye as he writes his letters are much more mature than the Christians to whom James writes his plain advice? Now the interesting thing is that the various kinds of Christians to whom these letters were addressed are matched by Christian types today. That is why one Christian will sometimes get more out of one part of the New Testament, while another Christian finds more meat in another part. And yet for all the differences there are some important likenesses, and the noticing reader will find them.

Letters about...

Few if any of these letters, or any others in the New Testament, are about "things in general." They usually speak to some particular problem, situation or trouble. The New Testament does not consist of a series of theological essays neatly arranged by topics. Rather, it consists of fairly short letters speaking to certain specific problems that had been distressing the readers. Some of these problems emerged in more places than one at the same time, just as happens today. In the short passages selected for special study in most quarters, two problems are highlighted, as the reader will find: false teachings, and persecution. In these times in which we live, with half the world in a ferment against Christianity, and even in the "Christian" part of the world a bewildering jangle and wrangle of sects and "isms" soap-boxing all over the place—the Christian church threatened by enemies without and "crackpots" oftentimes within, who can call the New Testament's themes out of date?

A Few Do's and Don'ts for Those Bent on Picnics

In the scurry of leaving for a picnic, it's wise to check your list of cooking and serving equipment.

A long-handled frying pan, tasting forks, ladles and a hinged wire broiler are musts if you plan to cook outdoors, says Mrs. Dorothy McIvor, University of Illinois foods specialist.

A pair of pliers, can and bottle openers, pot holders and gloves are necessary items that are often overlooked. A sharp knife, which can be a jack-knife, and a cutting knife should be included in every picnic basket.

To cook one-dish meals, you'll need a heavy metal kettle with a tight-fitting lid. And don't forget the salt and pepper shakers.

Cheek plastic bags, tablecloth, plates, cups, knives, forks, paper napkins, spoons, towels and newspaper off your list as you pack them.

To clean up, of course, you'll need dish towels and cloth, soap, matches and a scouring pad. A bucket is handy for carrying things, and you can use it later for washing dishes.

And O. L. Hogsett, safety specialist at the U. of I. has some advice on picnics too. Don't prepare food that spoils easily, he says—cream pies, fish and egg salads, mayonnaise dishes, sauces, creamed dishes and gravies. To be safe, such foods must be kept cold until eaten.

If you prepare this kind of food, pack it in ice. If you're doubtful about keeping it cold, don't take it.

Sometimes there is no safe drinking water near the picnic spot. If you remember to take your own water, you won't take any chances.

It's also a good idea to put a first-aid kit in with our picnic supplies. Include materials for

cuts, burns, insect bites and poisons from such plants as poison ivy etc.

Before you leave the picnic area, be sure your campfire is out and clean up all garbage, leaving the grounds clean.

Janice Militello, Wood River, and Gary Anderson, Alton, junior queen and king of the 1955 Illinois State Fair, will participate in the official opening of the 1956 exposition, August 10.

Why is her kitchen 10 degrees cooler?

SHE HAS A MODERN electric RANGE!

Turn on the oven for a couple of hours in the average kitchen on a hot summer day. What's cooking? You!

But not if you have a modern electric range. Because it keeps the heat in the oven where it belongs, an electric range will keep your kitchen about 10 degrees cooler.

Of course, you'll enjoy electric cooking for other reasons. It's twice as clean as any other way to cook. And today, nothing cooks faster than the new high-speed electric surface units.

See the 1956 electric ranges at your electric appliance dealer's now. You'll see models with built-in rotisseries, smokeless broilers, thermostatic controls and automatic timers. Find out how little it costs to own a modern electric range.

Big saving—we pay part of your range installation cost
Need modern wiring? We share the cost with qualified home owners in 1, 2 and 3-family dwellings.

And you get more than a money saving!
Modern wiring helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

Violation of Safety Laws Costs 5 Nursing Home Operators \$2250

Community News Service

Five south side nursing homes were among eight whose operators were fined \$2250 by Municipal Judge Joseph J. Butler for violating state safety laws in the state's attorney's campaign against sub-standard homes for the aged and infirm. A sixth case was continued.

Two south suburban and two southwest suburban nursing homes were among seven whose cases were continued by Judge Otto Kerner in County court on similar prosecutions under state law.

Assistant State's Attorney Charles Russ said his office has set up a commission to check in to compliance with medical and fire regulations throughout the county. This is the largest fine ever levied and the first time the state has prosecuted nursing homes, he said.

Judge Butler in assessing the fines at the rate of \$50 per offense, declared: "I don't understand why children don't care for their parents. Do they believe their obligation ends with

paying more money? The parents need love and affection and these children are derelict in their duties."

The south side operators fined were: Monterey Convalescent Home, at 4616 Drexel and 1919 Prairie, \$750; Erwin Peiton, operator of Bella Rest home, 6710 Stewart, \$200; Manor Convalescent Home, 6401 Peoria, \$350; Victory Convalescent home, 828 West 35th, \$150.

The continued city case against Burke Nursing home, 11840 South Western, will be heard Tuesday by Judge James A. Geroulis.

County Judge Kerner continued to July 11 charges against Maple Farm Convalescent home, 14500 Long, Midlothian, and Burr Oaks Nursing and Convalescent home, 2426 Burr Oak, Blue Island.

Continued to July 5 were two west suburban cases: Mamie Hill Nursing home, 4548 Dago, Brookfield, and West Suburban Home, 300 South La Grange, La Grange.

Int'l. Dairy Show Names 4 New Directors

Four new directors of the International Dairy Show are announced by the show headquarters in Chicago.

They are John F. Cuneo, owner of the well-known Hawthorn-Melody Farms and Dairy; Paul Dirksen, Kenton, Ohio, Brown Swiss cattle breeder; W. P. Watson, Ontario livestock commissioner, Toronto, Canada, and William G. Karnes, president of the Beatrice Foods Co., Chicago. This increases the number of show directors to 23.

W. A. Wentworth, Frankfort, Ky., is president of the International; Dean Emeritus H. H. Kildee, of the Iowa State college, Ames, and also William Wood Prince, president of the Chicago Stock Yards, and owner of the International Amphitheatre, are members of the show's advisory committee.

The fourth International Dairy Show and World Championship Rodeo is scheduled for Oct. 6 to 13 in the recently enlarged International Amphitheatre, the country's largest show building. The management announces that all of the show cattle will be quartered in the new 4-acre addition to the International Amphitheatre equipped with the most modern ventilation system. Judging will take place in the air-conditioned arena seating 8000.

The Jersey breed will feature its national show in conjunction with the International Dairy Show this year. Jerseys, along with Guernseys and Brown Swiss, will be judged on Tuesday and Wednesday, Oct. 9 and 10.

Holsteins, Ayrshires, and milking shorthorns are scheduled for Thursday and Friday, Oct. 11 and 12; and all breeds in the International's Junior Show, open to 4-H and F.F.A. exhibitors, will be judged on Monday, Oct. 8, by the same judges who officiate in the open classes of each breed.

Judges announced for the 1956 International are Gordon A. Cairns, dean of agriculture, University of Maryland, College

Park, Ayrshires; Harold Kaeser, dairy Science department, Ohio State university, Columbus, Brown Swiss; William Hitz, of Polk City, Ia., Guernsey; Harvey Swartz, of Waukesha, Wis., Holsteins; Prof. W. W. Yapp, dairy specialist at the University of Illinois, Jersey; and John O. Rowe, of Davis, California, milking shorthorns.

The national committee on 4-H club work, Chicago, announces that the National 4-H Dairy

Conference and tour, held at the Chicago show for the first time last year, will be repeated on a larger scale. Top 4-H boys and girls from 18 states will attend this year's show.

Governor William G. Stratton has been acting as a discussion leader for the round table on highways and highway safety at the annual Governor's Conference at Atlantic City, N. J., June 24 through June 27. This is the third consecutive year Governor Stratton has served in this capacity.

Mr. Herbert Hopman, president of the Tinley Park Cemetery Committee, together with co-members, Wm. Rick, Wm. Marquardt and Emil Bettenhausen announce the completion of arrangements for the erection of a large mausoleum to be located in the new section of Tinley Park Cemetery which is under the supervision of Zion Lutheran Church.

This beautiful and impressive structure will be the first in this area built exclusively for people of the Lutheran Faith, who may prefer this better type of interment, as a final resting place and a fitting permanent monument to the memory of their loved ones.

The Mausoleum will be constructed of the finest and most durable materials known, massive walls of steel and concrete, imported Carrara marble and stone combine to make it a place of permanence, strength and beauty. The chapel, conveniently located at the entrance, where interment services will be held, accommodates a large number of people and will be a source of comfort to the bereaved. No effort will be spared

to make this building as fine as money, art and engineering skill, acquired in 38 years of Mausoleum construction can produce.

The number of burial crypts will of necessity be limited, and will be reserved for those who are interested, as after construction begins, there will be no more available. The advantages of Mausoleum interment have formerly been too expensive for the average person and was restricted to those who could afford to have their own private ones constructed. Our plan enables us to build only the crypts that are desired and by so doing we can offer all the advantages of a private Mausoleum at a tiny fraction of their costs. In fact you can enjoy the same benefits for less than the cost of ground burial.

The construction work will be under the supervision of John L. Jennings of Worth, Ill.

Anyone desiring further information may contact Mr. Jennings, Phone Tinley Park 2-4930, whose office is located at 17326 Oak Park Ave., Tinley Park, and he will be happy to give you all the details.
